2. Notice Inviting Proposal

BSEDC, Government of Bihar, invites online proposals from eligible and experienced agencies for the selection of a Third Party Auditor (TPA) for:

- (i) BiharOne Project – 66 months (including 06 months full-time and 60 months at 33% effort).

Interested bidders meeting the eligibility criteria specified in Section 6.2 may submit their proposals online through the e-Procurement portal on or before the last date and time of submission. Proposals received after the deadline, or not accompanied by the prescribed RFP document fee and EMD, are liable to be rejected.

This RFP document can be downloaded from the e-Procurement portal <https://eproc2.bihar.gov.in>. Any addendum / corrigendum issued shall be hosted only on these portals; bidders are advised to check them regularly.

3. Background and Project Context

3.1 About the Purchaser

BSEDC, Government of Bihar is driving a state-wide programme of digital transformation and citizen-centric service delivery. As part of this programme, the Government is strengthening the **BiharOne Project** and requires specialised domain expertise to support their implementation, execution, contract management, rollout, monitoring, and steady-state operations.

3.2 About the BiharOne

BiharOne is the State Government's ambitious unified digital service-delivery platform, conceived on the principle of "One Government, One Portal, One Digital Identity for every citizen." It is being implemented under the guidance of BSEDC and is designed to bring all government services and social welfare schemes onto a single, citizen-centric digital ecosystem, integrated with the Bihar Common Social Registry (BCSR).

A separate System Integrator (SI)/Implementation Agency for the BiharOne is already selected by the Department.

The selected TPA shall independently review and monitor the system implementation carried out by the SI, conduct User Acceptance Testing (UAT), validate readiness for Go-Live, provide oversight and support during the Operations & Maintenance (O&M), and perform all other roles and responsibilities as specified in the Scope of Work section.

Key features and objectives of BiharOne include:

- A single web portal and mobile application through which citizens can discover services, apply for schemes, upload and manage documents, track application status, and receive benefits – replacing multiple, siloed departmental portals.
- Integration of both RTPS (Right to Public Services) and non-RTPS services into a unified service catalogue.
- A verified, de-duplicated digital identity for every resident (the "Citizen Golden Record"), built by validating data across Aadhaar, ration, caste-survey, education, health, and pension databases via the Bihar Common Social Registry.

- Unified grievance redressal, document management, payments, and data analytics for evidence-based policy-making and real-time monitoring of scheme implementation.
- AI-powered chatbots and assistance in Hindi, English, and regional languages, and access through web, mobile, and Common Service Centres (CSCs).

3.3 Need for TPA

The project requires continuous, embedded domain expertise— distinct from the system integrators / vendors building the platforms – to represent the Government's interest, oversee design and rollout, validate vendor deliverables, manage operations, and ensure that application outcomes meet citizen and policy expectations. Accordingly, the Purchaser intends to engage, through the selected Agency, the following expert on the below mentioned duration:

BiharOne Project – 66 months (including 06 months full-time and 60 months at 33% effort).

3.4 Objective of this RFP

The objective of this RFP is to select an Agency that shall deploy qualified expert to support the BiharOne Project. The selected Agency shall be responsible for the following throughout the engagement period:

- Review and validation of project deliverables during the implementation phase.
- Support for User Acceptance Testing (UAT), Go-Live readiness assessment, and deployment validation.
- Review of reports, milestones, and deliverables for audit, governance, and payment certification purposes.
- Monitoring of system performance, SLA compliance, and vendor obligations during Operations & Maintenance (O&M).

4. Resource Profile and Minimum Requirement

4.1 Resource Profile

The Agency shall deploy the below mentioned expert for the **BiharOne Project**.

S. No.	Project	Resource / Role	No. of Resource	Duration
1	BiharOne	Consultant- Bihar One	1	66 months (including 06 months full-time and 60 months at 33% effort)
Total			1	

Note-

- The tender is for deployment of one (01) resource; however, the Agency shall be responsible for appointing a Manager or equivalent personnel to oversee and supervise the work of the deployed consultant. Any cost associated with such managerial or

supervisory role shall be deemed included in the quoted financials for the consultant and no additional payment shall be made on this account.

- The Agency shall propose for the position, a named candidate whose CV meets the minimum qualifications below shall be submitted in the prescribed format (Annexure). The Purchaser reserves the right to interview proposed candidates and to reject any candidate not meeting the requirements.

4.2 Minimum Qualification Requirements

Parameter	Minimum Requirement
Education	BE/ B.TECH (IT/ECE/ CS) / MCA
Total Experience	Minimum 5 years in software / application development, solution architecture, or application management, of which at least 3 years in a lead / oversight role. The resource must also have experience in Government and e-Governance projects.
Domain Experience	Experience with large-scale web / mobile applications, API & systems integration, databases, cloud / data-centre hosting, UAT and VAPT review; experience with e-governance / citizen-service is strongly preferred.
Key Skills	SRS / architecture review, integration design (REST / SOAP APIs), data modelling, security & accessibility standards, performance & SLA monitoring, release / change management, analytics & MIS.
Language	Proficiency in Hindi and English; ability to work in the local context of Bihar.
Certification	Microsoft/ Google/ AWS/ IBM/ Oracle certified solution developer/ architect

Note - The Agency shall replace any deployed resource within 15 days if found unsuitable by BSEDC, with a candidate of equal or higher qualification, at no additional cost.

6.4 Financial Evaluation

The lowest evaluated financial bid (Fmin) is awarded the maximum financial score of 100. Other bidders receive a financial score (Sf) computed as:

Sf = 100 × (Fmin / F), where F is the bidder's evaluated price.

6.5 Combined (QCBS) Score

The combined score (S) for each bidder is computed as:

$$S = (St \times 0.70) + (Sf \times 0.30)$$

where St = technical score (normalised to 100) and Sf = financial score. The bidder with the highest combined score (H1) shall be invited for award of contract. In case of a tie, the bidder with the higher technical score shall be preferred.

7. Price and Terms of Payment

1. Payments shall be made on a milestone basis during the implementation phase; and monthly during O&M phase.
2. The Agency shall quote as per the Financial Bid (Annexure). The quoted rate shall be inclusive of the resource's remuneration, statutory contributions (PF, ESI, bonus, gratuity as applicable), the Agency's management / service charge, and all overheads. GST shall be shown separately and paid extra at actuals.
3. The tender is for deployment of one (01) resource; however, the Agency shall be responsible for appointing a Manager or equivalent personnel to oversee and supervise the work of the deployed consultant. Any cost associated with such managerial or supervisory role shall be deemed included in the quoted financials for the consultant and no additional payment shall be made on this account.
4. Payments shall be made by BSEDC upon the successful completion of agreed milestones/deliverables, subject to the submission of invoices and acceptance/sign-off of deliverables through a proper completion report, along with attendance records.
5. BSEDC reserves the right to extend the timelines of any milestone at its discretion. In such cases, the associated financials for the respective milestone(s) shall be extended proportionately, without altering the agreed rates, unless otherwise mutually agreed in writing.
6. No payment shall be made for any period during which a resource was not deployed, or for unapproved absence not covered by an equivalent substitute.
7. Quoted rates shall remain firm and fixed for the entire duration of the project. Any annual escalation, if permitted, shall be as per the mutual agreement during the extension period.
8. All payments are subject to deduction of TDS and other statutory levies as applicable.
9. During the O&M period, the bidder shall ensure to deploy the resource as and when required by BSEDC.
10. The Milestone based payment during the implementation phase of 06 months along with the key deliverables are as follows:

T is the date of receiving of the respective documents from the department.

Milestone No.	Timeline	Milestone Name	Key Activities	Payment %
M1	T+ 15 days	UAT Completion	UAT execution monitoring, validation of test cases, defect tracking and closure verification, review of UAT results.	50% of the implementation Phase
M2	T+ 15 days	Go-Live	Go-Live readiness assessment, validation of training and operational preparedness, system stability verification, monitoring of Go-Live activities, issuance of Go-Live certification and post Go-Live validation.	50% of the implementation Phase

Note –

- The above-mentioned milestone shall commence upon receipt of the documents/intimation from BSEDC. Furthermore, the timelines for each milestone do not consider iterations from BSEDC or the SI. These are not included in the above milestones and will require additional time.
- In addition to the milestones mentioned, day-to-day activities shall also be carried out as and when initiated by BSEDC, in accordance with the scope defined in this RFP.

8. Tenure of The Project

The tenure of the project shall be 66 months, comprising the following phases:

- Implementation Period – 06 months (Milestone-based payments)
- Operations & Maintenance (O&M) Period – 60 months at 33% effort (Monthly-based payments)

9. Price Schedule

Sl. No.	Phase	Duration	Unit	No of Resources
1	Resource for Implementation Phase	6 months	One Time	1
2	Resource for O&M Phase	60 months at 33% effort (19.80 months)	Per Month	1

- The bidder shall quote prices separately for each phase as per the guidelines below, inclusive of all applicable taxes and duties. Failure to comply with the prescribed limits may result in rejection of the bid:
 - ✓ Maximum 30 % of the total project value shall be quoted for the Implementation Phase.

- ✓ Maximum 70% of the total project value shall be quoted for the Operations & Maintenance (O&M) Phase. O&M payment shall be equally distributed across monthly invoices.
- During the Implementation Phase, the bidder shall provide support until the successful Go-Live of the project, in accordance with the Scope of Work defined in this RFP. This shall include review and validation of project deliverables, design documents, infrastructure readiness, integration activities, User Acceptance Testing (UAT), defect resolution tracking, Go-Live readiness assessment, and issuance of recommendations for Go-Live. The Operations & Maintenance (O&M) phase shall commence only after the successful Go-Live of the project.
- During the Operations & Maintenance (O&M) Phase, the bidder shall provide ongoing monitoring, audit, validation, and advisory support to ensure compliance with contractual obligations, Service Level Agreements (SLAs), Key Performance Indicators (KPIs), security requirements, and operational performance standards. The bidder shall review performance reports, monitor service delivery, validate change requests and enhancements, support governance and audit activities, and provide recommendations for continuous improvement throughout the O&M period.

10. Instructions to Bidders

The bidder shall carefully examine all sections of the RFP and shall be deemed to have obtained all necessary information.

Submission of a proposal shall be considered as acknowledgement that the bidder has fully understood the requirements contained in this RFP

10.1 Compliant Proposals / Completeness of Response

- a) Bidders are advised to study all instructions, forms, terms, requirements, and other information in the RFP documents carefully. Submission of the bid shall be deemed to have been done after careful study and examination of the RFP document with full understanding of its implications.
- b) Failure to comply with the requirements may render the Proposal non compliant and the Proposal may be rejected. Bidders must:
 - Include all documentation specified in this RFP
 - Follow the format of this RFP and respond to each element in the order as set out in this RFP
 - Comply with all requirements as set out within this RFP

10.2 Code of integrity

No official of a procuring entity or a bidder shall act in contravention of the codes which includes

- a. Prohibition of
 - i. making offer, solicitation or acceptance of bribe, reward, or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
 - ii. any omission, or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained, or an obligation avoided.
 - iii. any collusion, bid rigging or anticompetitive behavior that may impair the transparency, fairness, and the progress of the procurement process.
 - iv. improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain.

- v. any financial or business transactions between the bidder and any official of the procuring entity related to tender or execution process of contract, which can affect the decision of the procuring entity directly or indirectly.
 - vi. any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process.
 - vii. obstruction of any investigation or auditing of a procurement process.
 - viii. making false declaration or providing false information for participation in a tender process or to secure a contract.
- b. disclosure of conflict of interest.
- c. Disclosure by the bidder of any previous transgressions made in respect of the provisions of sub-clause (a) with any entity in any country during the last three years or of being debarred by any other procuring entity.
- In case of any reported violations, the procuring entity, after giving a reasonable opportunity of being heard, concludes that a bidder or prospective bidder, as the case maybe, has contravened the code of integrity, may take appropriate measures.
- d. Bidders and their representatives must maintain the highest ethical standards during the selection process. If BSEDC finds that a bidder has engaged in any corrupt, fraudulent, coercive, undesirable, or restrictive practice, it may reject the bid and forfeit the Bid Security or Performance Security as compensation for the time, cost, and effort spent on the RFP evaluation process.
- e.
